New Eyes

An instructional package

Recieve, Explore, Frame

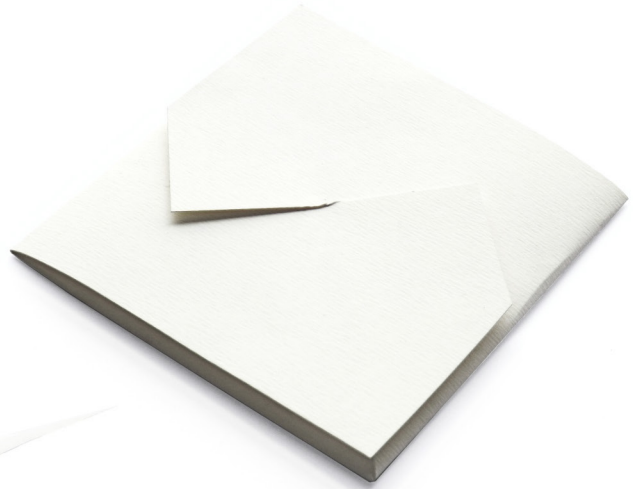

Our New Eyes package will provide you with novel experiences, both enjoyable and stimulating, for everyone in your household.

In these trying times, we all have the need for stimulus and novelty. New Eyes will open your world up through a series of instructions which range from the comical pleseantries, changing the way you sense the world, to exercises in creativity and mindfulness.

Each week, the experts from Home Tourism will Provide you with a thrilling new adventure for you to complete in one of our New Eyes postcards. Each postcard comes with an original illustration, that after completion can be framed as a souvenir, or posted to the next thrill seeker.

Step out of your comfort zone, without even leaving your home*!
